RE: API Specification 13A, 19th Edition Addendum 1

Please be advised that **Addendum 1** for the **19th Edition of API Specification 13A, Drilling Fluid Materials**, has been published.

This Addendum is effective October 1, 2020.

Please note that this document requires your attention. Facilities should ensure that all revisions are incorporated into the quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities.

The licensed or applicant organization is required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the [API Monogram Web Store](#).

The authorized Addendum 1 document, along with a copy of this notification, can be found at: [API Monogram/APIQR: Program & Spec Updates](#).

Thank you for your continued dedication and support in maintaining the highest quality and product standards throughout the oil and gas industry.

Sincerely,

Sharon Bowie
Manager, Monogram/APIQR
