RE: API Specification 19V, 2nd Edition, Errata 1

Please be advised that the **Errata 1** of the **2nd Edition of API Spec 19V, *Subsurface Completion Isolation (Barrier) Valves and Related Equipment***, has been published.

- **This Errata is effective immediately**

Please note that this document requires your attention. Facilities should ensure that all revisions are incorporated into the quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities. This should be completed prior to the specification's effective date and the subsequent audit.

The licensed or applicant organization is required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the [API Monogram Web Store](#).

The authorized Errata document, along with a copy of this notification, can be found at:
[API Monogram/APIQR: Program & Spec Updates](#).

Thank you for your continued dedication and support in maintaining the highest quality and product standards throughout the oil and gas industry.

Sincerely,

Sharon Bowie
Manager, Monogram/APIQR
