RE: API Specification 20F, 2nd Edition Addendum 1

Please be advised that Addendum 1 of the **2nd Edition** of **API Specification 20F**, *Corrosion-resistant Bolting for Use in the Petroleum and Natural Gas Industries*, has been published.

- The effective date of this Addendum is May 1, 2022.

Please note that this document requires your immediate review and attention. Your facility should ensure that all editions are incorporated into your quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities by the Addendum's effective date.

Licensed and applicant organizations are required to maintain at least one copy of the most current edition of the English language version of the API Product Standard(s) under which they are licensed or seeking licensure. Current API publications may be purchased in the [API Monogram Web Store](#).

This notification and other product updates, as well as errata and new editions for Monogram Specifications, are available at [Monogram/APIQR Program & Spec Updates](#).

For any questions or concerns related to this notification, please contact us at api.org/ContactMonogram.

Thank you for your continued participation in the API Monogram Program and your dedication to quality.

Sincerely,

Kevin Ferrick
Director, Monogram/APIQR
