RE: API Spec 9A Licensing Information Form update notification

Please be advised that products have been removed from the **API Spec 9A Licensing Information Form**.

The products removed from the API Spec 9A Licensing Information Form include:

- Mooring Wire Rope
- Torpedo Lines
- Wire Guy Strand
- Structural Rope and Strand

These items are being removed because, as specified in the API Spec 9A Scope section, they represent typical applications and not actual products. Only products with specified requirements are monogramable and can be included in the Licensing Information Form.

The updated API Spec 9A Licensing Information Form can be found on the API website at:

[API Monogram & APIQR: Resources](#).

A copy of this notification can be found on the API website at: [API Monogram/APIQR: Program & Spec Updates](#).

For any questions regarding the changes to the Licensing program for API Spec 9A, please contact us at www.api.org/ContactMonogram.

Thank you for your continued participation in the API Monogram Program and your dedication to quality.

Sincerely,

Kevin Ferrick
Director, Monogram Program/APIQR
