RE: Advisory 6 Design and Development Exclusion under the API Monogram Program

Please be advised that the ***Advisory 6- Design and Development Exclusion under the API Monogram Program*** has been updated.

The Advisory has been updated to include requirements that if only products under the scope of a license(s) are listed in the advisory, the exclusion of Design and Development shall be mandatory. The changes to the advisory also has removed requirements of exclusions at the bottom of the document.

The authorized API Monogram Program Requirements document, along with a copy of this notification, can be found at: [API Monogram & APIQR: Advisories & Updates](#).

Thank you for your continued dedication and support in maintaining the highest quality and product standards throughout the oil and gas industry.

Together, we can [Power Past Impossible!](#)

Sincerely,

Sharon Bowie
Manager of Operations, Monogram/APIQR
