RE: New API 19B Perforator Witness & Registered Design Application

API is pleased to announce that the application agreement for the API 19B Witness Request and Registered Design Program has been updated and is now available at www.api.org/perforators. Please use this application effective immediately when requesting a witness for an API 19B Section 1 test.

The application has been revised to streamline the submission process, particularly with respect to control of the Registered Design Data Sheets. Some updates to the Witness Request and Registration Agreements have also been made.

Please send all inquiries about the API 19B Perforator Program to audits@api.org. Thank you for your continued commitment to the safety of our industry.

Sincerely,

Sharon Bowie
Manager of Operations, Monogram/APIQR
